“The Homeless are stealing property from our homes in Mission Hills. My Sons Bike was stolen which was transportation to Porter Middle School. The neighbors across the street also were victims of theft of their bicycles. The Homeless is trespassing on our properties and stealing. Try to make a police report and NO ONE AT THE LAPD MISSION HILLS STATION WILL ANSWER OR THEY DO NOT KNOW WHAT TO DO AND TRANSFER YOUR CALL TO NO WHERE. We want to know what can you do to stop this influx of homeless people entering the neighborhoods and stealing. Mission Hills residents want to know! Why is the Police acting like they do not do Police Reports that is why the community has no respect for the Police.”
